Pure, modern, inspirational

Rene Ozorio Signature is a collection of Fine Bone China, featuring luminous translucent colour in functional, yet luxurious design. With emphasis on bowls, plates, and complimentary accessories, this line is nothing short of pure pleasure for creative chefs.

Authentic, on-trend stoneware

Inspired by the iconic shopping & food scene of Carnaby Street in London's Soho, Carnaby by Maham Studio is a collection of authentic, one-of-a-kind stoneware pieces that are vitrified to meet the needs of commercial food service. Featuring a stackable, flared coupe shape, each piece is unique, showcasing variations in colour intensity and texture that add a distinctive touch to any table. Carnaby Dove emulates a Japanese brush technique called Hakeme, where an artisan applies a white glaze with tiny brown flecks to create a multi-dimensional, unfinished rustic look. While Carnaby Teal is a blend of blue and green hues that complement a wide range of Steelite products. Elevate any dining experience with the charm and versatility of Carnaby.
